San Gabriel Valley Council – TRAINING

"Because EVERY youth deserves a trained leader!"

The new Basic Leader Training program is a must for every leader. The skills and knowledge obtained in these training courses are vital to a well-run, well-organized, and well-prepared unit. The time and effort you invest in training will not only give you the tools and confidence to be a good leader, but it will also DIRECTLY benefit every Scout you work with. Follow these steps to become a TRAINED LEADER!

- **Step 1: YOUTH PROTECTION (Video tape or on-line)**

This is the first step for any new volunteer. Youth Protection Training is a BSA-developed course that gives adult leaders/volunteers the tools and guidelines to help keep our youth safe.

- **Step 2: FAST START (Video tape or on-line)**

Viewing this introductory video or on-line course is critical and should be viewed by the new volunteer immediately after registering and before meeting with any youth. Fast Start videos for all levels of Scouting are available at the SGVC Smiser Scout Center and may also be viewed via the internet by going to www.sgvcbbsa.org and clicking on the "training" signpost.

- **Step 3: NEW LEADER ESSENTIALS**

New Leader Essentials is the BASIC foundation course for all additional training that highlights the values, aims, methods, history, organization, and funding of Scouting. This 90-minute course is taken only once and need not be repeated when a leader takes on a new leadership position.
