For all training courses that are registered for but not attended the following policy applies:

- Refunds and transfers for training courses will not be allowed for any course with a fee under \$ 25.00.
- Per person cost fee of \$ 25.00 or more may be reviewed for a refund or transfer to another course within the same calendar year of the training schedule. Transferring fees to future year's courses will not be considered.
- All requests must be made in writing by the person making the payment within 7 days of the completion of the course. The request should be directed to the Council Training Chair.
- No requests will be honored to carry over from one calendar year to the next.

Approval for Additional Courses A district training chair can add any basic course as needed without approval. All the normal processes must be followed.

If any other class (adult training - that is entered into the personal record with a course code) is being offered by a person/group not set up by the training chair then the following must be adhered to:

1.) The presenters must have completed and be current with either T3 - the Fundamentals of training or Trainers EDGE.

- 2.) The presenters and course must be approved by the district or council training chair.
- 3.) Current syllabi must be followed without addition/subtraction or alteration
- 4.) If there is a normal cost to the training the same fee must be charged for all attendees
- 5.) It should be opened to all interested parties, therefore a flyer should be approved and registration posted to the Doubleknot system
- 6.) Standardized handouts (where available) are to be used - without addition or subtraction
- 7.) The attendance roster is to be submitted in the proper format, with all necessary information, to both Joanne Miller and the council training chair (Lisa Scott) in a legible manner (excel spreadsheet works well).
- 8.) If there are special requirements to be met in order to be eligible to teach a course (climbing, etc.) then those certifications will be required.
- 9.) If a training is entered by other than the district/council training chair or council staff member the back-up "proof" needs to be submitted or the entry is subject to removal.
- 10.) If there are any questions about any of the above they should be addressed to the council training chair.

If the above conditions are not met prior to holding a training and an attendance report is turned in it will
NOT
be entered into the training records.
